If our staff feels as though your pet has a condition/illness/problem that should be addressed by a veterinarian, you may receive a phone call to seek more information or approval for treatment.

-All pets must be free of internal and external parasites. If your pet is found to have either of these, treatment will be administered at your expense. The cost of flea/tick medication and dewormer vary based on the species/size of pet.

**-Krum Veterinary Hospital is not responsible for any belongings left with your pet. If your pet shreds toys/blankets or chews on mats/beds, please make one of our staff aware at check in. Destruction of KVH property may result in additional charges to cover damages.**

-All boarding spaces are located indoors with centralized heating and air. Our grass yard is completely fenced for your pet's protection. Krum Veterinary Hospital staff will use professional judgement to determine if your pet can be let off leash in our yard during his/her daily exercise. All dogs are walked outside twice daily. Your pet will never be in a yard unsupervised and will not be allowed off leash with another pet from another family.

-Although we walk pets diligently on a slip leash, please be aware that given the unpredictable nature of dogs, an interaction could take place between animals and unforeseen events could occur while on scheduled walks/playtime. If such an event results in injury to your pet, to other pets, or to other people, you, as the pet's owner, will be responsible for such an injury. If your pet has any odd behaviors, we should be informed at time of check in.

-Pet food provided by Krum Veterinary Hospital is Purina EN Sensitive Stomach. If you prefer to bring your pet's own food, please bring food portioned and labeled. Do not bring entire bags of dog or cat food to be left during their stay. All pets will always have fresh water available.

-All boarding spaces are cleaned and sanitized each day. Pets are provided fresh/clean bedding as necessary. If you would like to bring bedding from home, please be sure it is labeled in some way and understand it could become soiled.
